Career Seminar for Mid-Career Professionals

Carla Visser

Coordinator, FEGS Career & Employment Services

Learn job search strategies for mature professionals.

This seminar focuses on the needs of mature professionals looking to stay in the same career or change careers. The program provides a comprehensive overview of the steps needed to find a new job.

Discuss:

- identifying the career for which you are best suited
- preparing strategies to market yourself for a particular job while capitalizing on your experience and networking
- developing an ageless resume
- preparing for interviews
- negotiating your compensation package
