**Our Path to the Future**

### The Path to Success Begins with the First Brick

Temple B'nai Torah is excited to announce plans to replace the existing decking leading to the Holocaust Memorial with a commemorative brick path. Benches and planters, with dedication plaques will also be installed. You are invited to participate in this fundraising effort by purchasing a brick, bench (6 available) or planter (3 available).

This effort, as part of the Our Path to the Future campaign, will help your Temple move forward with necessary building repairs. Our building is aging and many repairs and updates are needed at this time. These fundraising projects are the next step in a long range plan to address the many areas of the building that need to be renovated and modernized.

Imprint your name, or a loved one's, on one of our bricks! Recognize a significant event: birth of a child, anniversary, b'nai mitzvah, graduation, memorial, birthday, the choices are unlimited!

The bricks and bench plaques currently in place at Temple Judea will be brought to Temple B'nai Torah and incorporated into the new commemorative walk. If you have a brick or bench plaque at Temple Judea, please consider assisting this effort with a donation to offset the cost of the move.

**Return your order quickly.** Only a limited number of benches and planters are available and the current price for a brick is only guaranteed until April 30, 2011.
